Morning Assemblies, Special Assemblies, Inter House and Inter School Competitions are geared towards this direction.

These events sensitize the students towards living in harmony in a diverse society – and encourage them to pay equal respect and importance to the customs and traditions of all religions and communities.

Physical education is an integral part of the school curriculum. It seeks to make the students physically fit, mentally alert and agile. Students are encouraged to participate in Kabaddi, Kho-Kho, Cricket, Volleyball, Badminton etc. Karate classes and skating classes are also conducted on a regular basis.

Every student is allowed to choose a club activity of his/her choice, which is held every Saturday in the school.
